

God's love is abundant at Our House!

This semester has brought us the blessing of a full-time Intern. Joanna is completing her final semester at Auburn in Human Development and Family Studies. Her devotion to Our House has enabled us to expand our ministry and further develop and organize our efforts to love and serve our neighbors.

After school tutoring is back in full swing. We had our first volunteer training and dinner, which has proved to be helpful in keeping us all on the same page. The Lord has provided wonderful volunteers to help with the over 50 children coming through our doors each week!

Our kids have had quite a few projects this semester. Their creativity was really on display in the 3-D cells and landform models they've crafted! Thanks to all of our volunteers who have come in for extra time to help with these.

One of our newest and most exciting additions has been our Moms On Mondays (MOM) ministry. Each Monday from 10:00-11:30 our moms get together for fellowship, Bible study and a fun activity. It has been wonderful to get to know the women who are raising our wonderful kids!

The Lord's love was present at Our House for Valentines Day!

All week our kids made valentines cards and a couple of our moms decorated heart shaped cookies. We brought our cards, cookies and kids to Morningside on Valentines Eve to share the love that God has poured so abundantly over us. Such a gift to share our blessings!

We were also blessed by the Auburn's Men's and Women's Club Ultimate Frisbee teams as they hosted a Mardi Gras Celebration at Our House on Sunday, February 15<sup>th</sup>. There were plenty of beads, Jambalaya and King Cake for the whole community!

Looking into spring, we are using this season of Lent to humbly recognize that we are His hands and feet and that the Lord is truly working in this place. We recently held a 12 hour prayer vigil and look forward to our Easter Sunrise Service in Ridgecrest. Join us in singing praises of Hallelujah!
