

“Yet in all these things we are more than conquerors through Him who loved us. For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.”
Romans 8:37-39

Our House is celebrating its one-year anniversary! God has been so faithful to keep providing and sustaining us. This is truly His mission, not our own. PRAISE HIM for all he has done this year and all He will continue to do in the years to come! Thank you for your loving support and generosity that keeps us going.

This summer we are pleased to announce we will have a new intern join us. Emily Wilhite, who will be graduating from Auburn in August with a degree in Human Development and Family Studies, is working with us full time this summer. And, Joanna Vogt will continue to work with us through the summer!

As school comes to an end and spring bursts into summer, it is good to reflect on all that God has done through Our House during our first year in operation. We are blessed to have the help of many volunteers who love and encourage our kids, spiritually and academically.

This spring, we had the pleasure of having a Big Event team come to Our House to help us take down a fence and prepare the ground for new sod. We are truly grateful to these college students,

who took time out of their schedules to serve us in this way.

We were also blessed by the talent of some local musicians, as we celebrated Our House with a Spring Concert in the Park.

We were one of several beneficiaries of funds raised at this year's Dancing Stars of East Alabama event, held in the Auburn Arena. We greatly appreciate the overwhelming generosity of the Community Foundation of East Alabama and all who contributed to the success of this event!

While our kids were working hard in school, a couple of their moms completed Christian Woman's Job Corps. We are proud of their hard work and excited to see where God will lead them from here.

This summer, we will be serving lunch to Our Kids and offering Summer Enrichment. They will brush up on academics, delve into the word of God, and enjoy various types of summer camps. Breakfast Club will be back on Saturday mornings from 9-11am. Our Kids and their families are invited to enjoy a full breakfast and to

spend time together. Sunday Summer Praise, which will be held from 4-5pm on Sundays in June, will provide an opportunity to invest in the spiritual growth of Our Kids. During this time we will be focused on fundamentals for all children of God, and hope to encourage them to know more about God and His Son, Jesus Christ.

We are so thankful to God for all His many blessings!
